

What Credentialing Path Are You On?

Internally manage your own credentialing process:

Contact the companies you are interested in contracting with, and ask for Credentialing paperwork.

Apply for individual and group NPIs.

Create a CAQH profile

Apply for individual and group NPIs.

Complete applications, and compile all necessary background information.

Submit Applications

Wait 45-90 days

Receive applications back from Payors, with errors marked or with requests for more information.

Resubmit applications

Wait 30 days

Call Payors to check on the status of your applications.

Wait a total of 150-180 days

Receive assigned numbers and begin receiving payments.

Have Adamas manage your credentialing process:

Contact

Adamas

Supply Adamas with the information they request. Then sit back and relax as they **complete, submit, and monitor** all your Credentialing applications for you.

Receive assigned numbers and begin receiving payments!
